MR. CHARLES W. FLAHIVE

It ain't what you do,
it's the way that
you do it

Thank you...

When we remember our years at Westwood High School, it will be through the pages of our yearbook. For in them we find the people and times which have molded our lives. Looking through our book, we will remember one teacher in particular; a teacher who has always been a great friend to the Senior Class and whose understanding in our failures and pride in our success as a class will always be remembered and appreciated. It is, therefore, for his unselfish devotion to the students and dedication to his profession, that we dedicate the 1972 Green Years to Mr. Charles W. Flahive.

Service

School Committee: Mrs. Louise Padden, Secretary; C. Louis Cedrone, Assistant Superintendent for Curriculum; Leo J. Crowe, Asst. Supt. for Business; Mrs. Catherine Hinchman, Clerk; Dr. John F. Tobin, Supt. of Schools; Hans Effgen, Chairman of the School Committee; Mrs. Elizabeth Kendrick, Mr. Robert Youlden, Mr. Herbert Whitley.

Mr. Charles Doyle
Assistant Principal

Mr. Duane Kocina
Principal

WE'RE NOT SURE WHAT IT IS, BUT OUR GUESTS KEEP COMING BACK.

As always, the prime consideration of the administration is the effective education of students. One of the means this year to implement this program was the formation of a "Blue Ribbon Steering Committee", consisting of Mr. Cedrone, Mr. Kocina, Mr. Doyle, four department heads, two teachers, and four students. This committee has undertaken the responsibility of exploring and taking under consideration all possibilities to meet the changing needs of students such as expanding programs on the curriculum and increasing pupil personnel services.

Mrs. Celia Vial
Director of Guidance

Mr. Thomas Hughes

With all the pressures of today's world, guidance services are invaluable. During the student's four years at high school, they meet many times with their counselors to discuss and choose their courses. The counselors give expert advice to seniors in preparing for their future and set up many career and college conferences. The office has much to offer in the way of college and vocational material and equipment, such as the View Deck machine which aids seniors in planning for their future.

English courses provide wide and comprehensive experiences in the areas of language, composition, and literature. A new elective program for the upperclass student makes it possible to select courses best suited to his needs, interests, and level of ability.

The aim of the Drama Club, by using audio-visual techniques, is to attract and involve students inclined towards Theater Arts. **Harlequin**, the school literary magazine, is the showcase for students talented in creative writing. Another enjoyable extracurricular activity is the scheduling of trips to view current films of general interest.

Mr. William Davis
Department Head

The Social Studies Department strives to foster the concept of good citizenship by having students participate in active discussions of world affairs. The curriculum includes: civics, world history, modern european history, economics, area studies, psychology, problems of democracy, and advanced placement courses in united states history, and western civilization. A new course on human relations was also started this year with a great response. Many well-known guests from the community participated as speakers and discussion leaders. Among those visiting the school were Secretary of State, John Davoren, Congresswoman Louise Day Hicks, and respected leaders of labor and industry. The World Affairs Club is under the auspices of this department.

Mathematics

Mr. James Pender
Department Head

Long known for its excellence, the Math Department's curriculum and team-teaching methods allows a student to progress at his own rate. The variety of courses now ranges from basic algebra to advanced placement calculus and a section on computer programming is now included in many of the regular math courses. The Math Department also gives the math student a chance to compete against other students in giving the Massachusetts Math Olympiad and the M.A.A. National Mathematics Exam. It also directs the very successful Math Team.

Mr. Calvin Topalian

Under the direction of the Science Department, students are able to attend science fairs, national contests, and the regional symposia correlated to the subjects of physical science, biology, chemistry, physics, earth science, and oceanography. This year, senior students had the opportunity to do independent study in biology. Field trips supplementing classroom study are offered to help stimulate the awareness of the applicable aspect of Science. Extracurricular activities in this field are the Photography Club and the Astronomy Club.

IF YOU SMELLED CREPES COOKING IN ONE OF THE FRENCH CLASSROOMS, IT WASN'T JUST YOUR IMAGINATION!!!!!!

With the emphasis on an oral approach, the Language Department is constantly striving to provide better methods of communication. Field trips to museums, restaurants, and the viewing of foreign films, along with arranged tours of European countries, bring about different aspects of foreign languages and customs. The humanities approach using music, is an added feature to supplement the course.

Home Economics

The Home Economics Department, under the direction of Miss Knight and Mrs. Burke, is designed to give girls enjoyment in expressing their talents along with practical knowledge applicable in the future as a homemaker. Besides the very successful Alteration Shop and the Future Homemakers club the girls have added a sort of order store called Mrs. B's Boutique, which is doing a thriving business.

Mr. Joseph Chicetti
Department Head

Mr. Lawrence Rettman

Mr. Thomas Nelson

Industrial Arts

Under the leadership of Mr. Joseph Chicetti, the Industrial Arts Department is rapidly expanding its programs and encompassing a larger portion of the student body. In addition to the regular offerings, students are exploring new areas of drafting, carpentry, electronics, and electricity. A course in basic printing will also be offered when we move into the new building.

Don't be surprised when you see a greater number of girls in the drawing, drafting, and graphic science complex — they've even got the gals interested in their innovative programs.

Although the Business Department is essentially oriented to the student headed for business careers, a great many college-bound students have benefited from the business career development curriculum — especially typing I and typing II. The student planning a career in business has a wide variety of courses from which to choose, some of which include advanced typewriting, accounting, shorthand and office practice and procedures. The department also sponsors The Business Club. Other students elect business courses in order to broaden their areas of competence and obtain a better understanding of the business world.

Art and Music

Mrs. Judith DesPres

Mr. John Markarian
Director of Music

The Art Department, this year under the instruction of Mrs. Judith DesPres has tried to offer a wide range of techniques. This department lets the student create on his own while still learning correct composition and art discipline. This year's student art work was on display in the library with techniques ranging from pottery to still life.

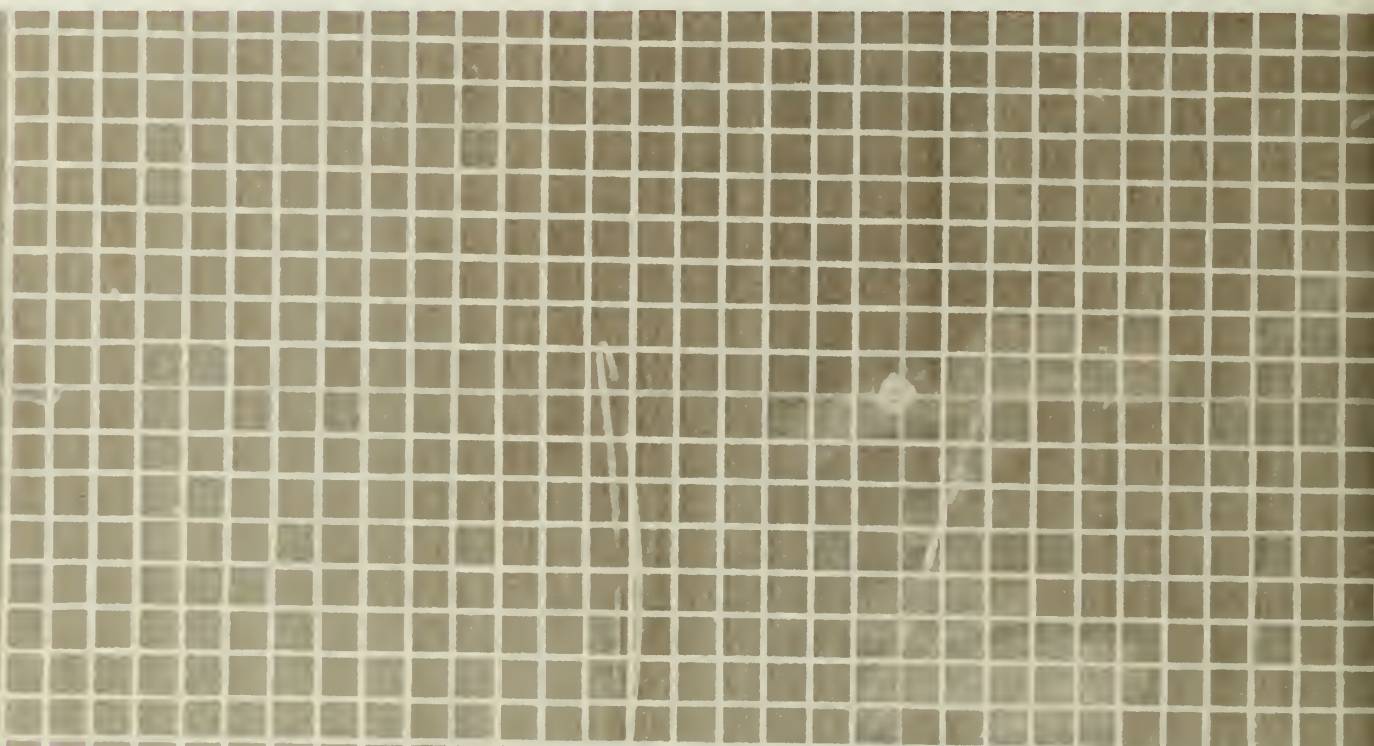

THE MUSIC MAN

WE'RE THE GREATEST BAND IN . . . !!

The man who inspires us to greater heights in music is none other than "Mr. Mark" — as he is affectionately called. Without his guidance and encouragement, the marching band, concert band, orchestra, chorus, double quartet, and folk club would not be as appealing. After hours of practice for the exchange concerts, the sounds which come forth are vibes to be proud of.

The high degree of participation in musical programs is indicative of Westwood's success in providing programs attractive to a large majority of the student population.

*All things must pass away
As I eventually will.
And when I am summoned on that day
My wish be only one,
That a smile may be brought to others
As a memory of the sun.*

SENIOR CLASS HISTORY

The fall of 1968 brought another new wave of freshmen to Westwood High, headed by class president Jack Fitzpatrick, treasurer Sue Criss, secretary Cookie Dorian and vice-president Cheryl Saari — another new crowd to face four years of uncertainty, hopes, dreams, victories, and defeats. As freshmen we were a bit cocky, coming fresh out of being the "big kids" in junior high; but were soon to learn that now we were the low men on the totem pole.

On entering we were immediately lost in the maze of corridors, sarcastic upperclassmen, and just the over-all size and complexity of this vastly different world. We heard a speech by our then principal Mr. Chase, which others say he gave every year; verbatim and that like a doctor's slap, sent us on our way. We were to go out and start to feel our way around and, under the guidance of our teachers, we began to mature and grow. Finally, when we did begin to feel secure and find our classrooms on time, we became brave enough to sponsor a dance. The dance, our first success, fattened the class treasury and instilled new confidence in our formerly timid minds. Then in June it didn't seem so bad after all!

The anticipation and uncertainty lessened quite a bit when we entered Westwood High School as sophomores in September of 1969. Early in the year we held a highly successful dance, under the direction of class officers Maureen Smith, Irene Kalfopulous, Cookie Dorian, and Sue Criss. This was the year the formal dress code was dropped, and a gradual relaxing of the school atmosphere followed. With the establishment of the Student-Faculty-Senate, there began to be a greater involvement and interacting between students and teachers, discussing important issues.

Nineteen-sixty-nine seventy was quite a big year for sports as the winter track team emerged as Dual County league Champs, and the junior varsity basketball team went undefeated; also in the limelight was the football team, who had its first winning season in 4 years.

Class day saw the dedication of the year book to Mr. Chase, as he retired as principal of W.H.S. after many years of service.

We entered our junior year, with assurance and self-confidence, a far cry from opening day 1969. We were not far into the year when we were confronted with the PSAT's and NMSQT's, the first of barrage of tests that would carry us through the spring. The junior class may have set a precedent in having the prom outside the school. Under the leadership of class officers Frank Brown, Irene Kalfopulos, Cookie Dorian, Sue Criss, and advisors Miss Congdon and Mr. Baker, the May spectacle was held at the Chateau deVile in Framingham.

The JV basketball team took another Dual-County League title but the varsity, while compiling a respectable record, failed to make the Tech for the first time in ten seasons. While the track team failed to capture the DCL title because of the flu, many school records were shattered during the 1970-71 season.

The newly formed Student Faculty Forum worked towards bringing about better communication between students, teachers, and members of the community.

In June we left a more related atmosphere. Our junior year was a year which saw the ground breaking ceremony for the new high school addition, informal study halls, a new Coke machine, and the advent of mini-courses.

We had finally made it as "top guys" on the totem pole — the SENIORS! We couldn't enjoy it for long — the pressures of more testing and college applications weighed upon us. Early in the year, the senior class, under the direction of Irene Kalfopulous, Jan Rush-ton, Eva Johns, Sue Criss, and Mr. Beurman instituted the Friday morning breakfast program. Already anticipating the expenses of graduation, etc., etc., Sue could be seen making the rounds of home rooms in an attempt to collect dues.

GREAT MOMENTS & GREAT MEN

The student body, faculty, and administration worked hard to overcome the problems of school construction. There was also an increasing involvement of students in school and community affairs. This was exhibited in the clean-up sessions and the newly-established committee on Student Rights and Responsibilities — a group of students, administrators, faculty, and members of the community.

Sportswise, Westwood collected a bundle of trophies as the winter track squad merged as DCL and state class D champs. The varsity and JV basketball teams also captured DCL crowns. Our traditional senior class play was performed before a packed audience as our members displayed their acting ability in Woody Allen's comedy, "Don't Drink the Water." Musically, Westwood again led the way in displaying quality and talent through the band, orchestra, and outstanding vocal groups.

Yes, we had made it to the top in more ways than one, and now the eternity of four years coming is the fleeting glimpse of four years past — four years of victories, defeats, hopes, and changes. We have seen our accomplishments transformed into memories. As we leave Westwood High School as the Class of 1972, we hope that we have left something behind when we take with us our four years of memories.

Athletics

Football

The Wolverines battled through a tough season this year under head coach Edward Marx. Assistant coach Raymond Kodzis discovered a few stars in the backfield, notably seniors Mark Reddish at quarterback and Co-captain Ed McGinnis and Guy DeSantis at halfbacks. Line coach John Poskus, a new addition to the Westwood coaching staff, built one of the strongest and most respected lines in the league. This predominantly senior line included Rick Thompson and Co-captain Alan Banks at ends; Mike and Paul Hanlon, "no relation" at tackles; and Jim Mullarkey and Mike Henry at guards. Other seniors included Tim Deacon, who filled in for an injured Mike Henry at midseason, and Tim Connors, who took a regular turn on a defense that allowed fewer points than any Westwood team, other than 1969, since the championship 1965 team.

Another distinction for Westwood was the election of Co-Captain Alan Banks to the Dual County League All-Stars as a first team linebacker.

BASKET- ALL

Varsity: Front, left to right: Jarvis, Ryan, Wilfinger, Sessler, Coach Thwing. Rear: O'Kane, Swann, Captain; Whalen, McGrail.

Basketball is a long-standing tradition at Westwood, and this year's team upheld that tradition by not only qualifying for the Tech Tourney but also by taking the Dual County league championship. The team lost only two league games and led by Captain Rick Swann, who received help under the boards from Chris Jarvis and Mark Whalen, along with the excellent outside shooting of Mark "Willis" Wilfinger, Joe Ryan, and Gary Sessler, went on to a 17-4 over-all record.

One of the many highlights of the year was the appearance of a trio entitled "The Black Aces" composed of Brian O'Kane, John Carroll, and Jack McGrail. The Aces' aggressive style of play had the unique talent of electrifying both the crowd and the team and was in constant demand.

Promising newcomers for Coach Thwing's victorious varsity were delivered by Arthur Potter's JV team as they went on a 19-1 rampage — being undefeated in Dual County League play. The JV's will be replenished in good stead with members of a sparkling freshman squad that finished with a 17-3 record.

Although Westwood bowed out of the Tech by dropping the opener to Silver Lake Regional, all year long the hoopsters made it clear that they were a powerhouse and not a team to be reckoned with lightly.

UNDEFEATED

This year's Winter Track Team captured the Dual County League Crown as it was guided to an undefeated season by coaches Phil Flaherty and Paul Tuccelli. The trackmen believed that records are made to be broken as Rich Gilbride and Co-captain Jim Connors displayed in their battles in the 1000 yard run. Connors now holds the record with 2 minutes 22.9 seconds. The other Co-Captain, Marty Judge, along with Mark Reddish, who holds the 600 yard record, broke the school mark of points by an individual in a single meet with 11 $\frac{1}{4}$. As usual, Jim Kelly was forever lowering the two-mile mark until it hit 9 minutes, 44 seconds. Surprises and excitement sparked the year with Tom Garvey as a surprise state champion in the 50-yard dash and school record holder in the 40.

Excitement came with the championship hinging on the last two meets of the year. The tight meet with Wayland and the protest-filled Acton meet both ended in a Wolverine victory. At the end of it all, "Flaherty's Fleet Feet" towed the trophy home.

Unbeatable

Cross Country

The cross country team turned in its first winning season ever, this year under the supervision of senior co-captains Jim Connors and Mark Vernon. The team suffered the loss of their head coach, Harvey Fischler, for most of the season, but his able-bodied assistant, Mr. Richard Hargreaves, was able to fill the void. The team's winning record came on the strength of performances by the two co-captains and also by Rich Gilbride and Jim Kelly who set a new home course record of 13 minutes and 25 seconds. Kelly also became Westwood's first runner to qualify for the New England Cross Country Finals. Marty Judge supplied the frivolity as Fred Wall added a note of gaiety to the year's proceedings.

The Wolverines had a losing season during 71-72 with a 2-10-2 record. Though the record doesn't look impressive, Westwood managed 2 wins and 2 ties — including an important tie against second place Bedford. Westwood placed last in the Dual County League, though Weston had the same record, because of a technicality.

Westwood also played scrimmages against a few non-league teams, displaying good skating and positional play.

Don Stivaletta took on the challenging job of hockey coach this season at W.H.S., and the performance of the team showed an improvement over the 70-71 record. Mr. Stivaletta did a fine job of organizing the team, and teaching them the basics of hockey.

Senior co-captains Mark Kent and Rick Thompson kept the Wolverines alert and kept the spirit high when there was doubt about any Westwood victories. Several other seniors put in their efforts during the season. These men worked hard also and fought for the Wolverines when they were down. They are: Scott McCloud, George Kouri, and defenseman Alan Banks.

Ski Team

Although water skiing is not included among the Nordic and Alpine events of the ski team, this winter provided plenty of water and slush perfect for that sport.

A new coach, Mrs. Nancy Hann along with the assistance of co-captains Nancy Hall and Jack Lannamann, guided the team through the most successful season ever. The highlight of the season came when Westwood, led by the brilliant skiing of Nancy Hall and Jill Whitley, easily defeated five other teams in a tough slalom meet at Blue Hills. This year's team proved to be much stronger in Cross Country than in previous years and finished quite respectfully in many Cross Country meets.

With many fine competitors returning next year and hopefully more SNOW, the team has great possibilities once again. Watch out 1976 winter Olympics!

Girls Basketball

The varsity girls' basketball team had a disheartening season; however, their determination and good spirits never faltered. Miss Kathleen Delaney coached both varsity and junior varsity teams. She believed that skill rather than grade was important and proved for greater competition.

After working with the new coach and using successful training skills, the girls look forward to another year with better results in the win-loss column.

The girls' gymnastic team completed their second season with a record of 3 wins and 5 losses. However, three of their losses were by one point or less. Mrs. Jane Grube, the popular coach, tries to get each member of the team to be all-around — competing in all four events: the balance beam, the uneven parallel bars, side-horse, and floor exercise.

The team displayed great improvement in each event, learning many difficult combinations to add to their routines.

Swim Team

This year marked the introduction of a new team in Westwood Athletics. The swim team piloted by Coach Gearon and Captain Alan Bishop plunged headfirst into stiff competition as Coach Gearon was heard to say, "Our boys are still wet behind the ears, but we're not afraid to get our feet wet!" Although they missed having a winning season their spirits were not dampened. Hopes for next year lie in the fact that freshmen and sophomores dominated the team. Upon completion of our new school pool, the team will be competing in friendly waters.

This year debates were focused on uses and abuses of the Coke machine, which the Student Council sponsors. Between the battles in the war of the Coke machine, the Student Council has been active in measures to release seniors from G-block studies and has undertaken the responsibility of the high school's representation in the 75th Anniversary Parade.

The Student-Faculty Forum lost some of its decorum in 1972 but it has become far more powerful as an organization.

The Forum is responsible for creating the Committee on Student Rights and Responsibilities, an important concern of all educators in Massachusetts. Much of the action and activities planned by the Forum have been postponed pending the completion of the new addition to our school. Therefore, the Forum has not been able to accomplish as much as it would have liked but it has proven its value as an organization.

...IT'S SUPERFAN

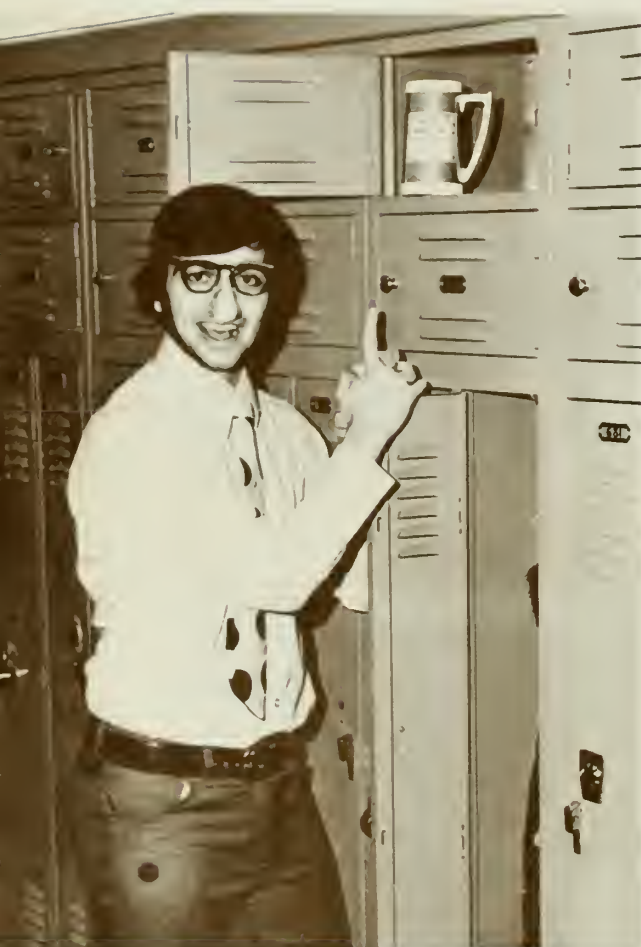

Under the supervision of Westwood's #1 fan, Carolyn Clement, the Pep Club made quite a splash at all the Westwood games. Despite the ever present fear of laryngitis, these hearty people of pep screamed their support of our teams from September till June. Supplying buses to all athletic events and plastering the walls with spine tingling words of encouragement, greatly intensified school spirit.

A major factor in the success of this year's Pep Club was the return of the Animal Section. Bolstered by such returning veterans as Bob Akerly, Mike McDermott, Jose Marinelli, Tim Connors and Fred Wall, these men brought a new dimension to the art of cheering. We know that both fans and the teams appreciated such devotion.

Cheering this year was highlighted by our new mascot Peggy Hanlon. New uniforms were made to freshen up the appearance of the squad and practices were held daily in attempt to create new cheers and more school spirit.

Despite the Football Team only winning two games of the season the cheerleaders tried their best to encourage more spirit with a pre-game breakfast and pep rallies.

Cheering for our Basketball Team turned out to be very successful for the team made the Tech Tourney and also became Dual County League Champs.

With the aid of Mrs. Bergen, advisor and co-captains Cookie Dorion and Shelley Sweeney the squad of 1971-1972 feels their attempts to make cheering exciting and rewarding were accomplished.

Also credit should be given to the Hockey Cheerleaders led by Sheila Bero and Nancy Shaw.

Another squad was added to promote enthusiasm for the Wolverines. This was the Freshman squad led by Cathy Bergland.

We hope in the future the cheerleaders will be as successful as the three groups previously mentioned.

Our Most Noble Officers: (left to right) Donna Westhaver, Supervisor in charge of lens selection; Joe "Jose" Marinelli, Creative Vice President; F. Micheal Swiek, President; Linda Wakefield, Supervisor in charge of film distribution; **missing from photo,** Eileen Zagami, available light specialist.

The newly enlarged Photography Club entered into new dimensions this year with coverage of all school and town functions. Welded together under the watchful eye of Mr. E. A. Snell, "the big guy," advancements in photographic techniques were achieved which far surpassed all expectations. This devout group of photo enthusiasts were led in all their triumphs (and defeats) by V. P. Jose Marinelli and F. M. Swiek, President. Assisting these leaders in their darkroom dilemmas were Donna Westhaver, Linda Wakefield, and Eileen Zagami who made their tenure all that more interesting. Promising underclassmen Dave Wyllie and Clint Young will further the development or "overdevelopment" of this most esteemed organization.

*Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;*

*Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,*

*And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.*

*I shall be telling this with a sigh
Somewhere ages and ages hence;
Two roads diverged in a wood, and I —
I took the one less traveled by,
And that has made all the difference.*

—Robert Frost

Green Years Staff

Despite what seemed to be an unusual amount of problems this year, the staff finished the 1972 Green Years in almost record time. Money, as always, proved to be the biggest problem. Undaunted, however, we set out to raise money by sponsoring a spaghetti supper, Festa Italiana, which proved to be rewarding in terms of student involvement and financial gains. Special thanks goes to Mr. and Mrs. Rossetti who so generously supplied the delicious sauce and lent their culinary skills for the evening.

Certain days of the year were the most fun — naturally we mean picture-taking days. On these occasions the PA system never quieted as an endless procession of groups and clubs marched down to have their photographs taken. At times like this we realized that a picture is equal to 10,000 words, as countless hours were spent labeling and identifying all the faces.

In summing up the year, we realize that close cooperation among all those involved and the expert guidance of Mr. Flahive enabled us to publish what we consider the best of our green years. Thanks and good luck...
